EXPERIENCE

Member of Competitive Programming   Nov 2023 - Apr 2024
CodeChef Club, SRM RMP   *Chennai, Tamil Nadu*

- Skilled up problem-solving in C++ and Python through competitive programming.

- Participated in Web3.0 meetups to explore blockchain technology.

Freelance Android App Developer   Apr 2021 - Sep 2021
CK Milk (Chennai Kulfi)   *Remote*

- Engineered and launched CK Milk, an e-commerce dairy products app, using Java and Android Studio.

- Successfully published the app on Google Play Store.

HIGHLIGHTS AND ACHIEVEMENTS

- **Eth Mumbai Hackathon (CoreDAO GameFi Track) Winner**. Crafted a groundbreaking cricket fan engagement platform, winning a $1000 prize.
- **Competitive Programming**. Achieved the 50 Days of LeetCoding badge, ranking in the top 6.9% of learners. Earned five-star badges for Python, C++, and C Language in Hacker Rank.
- **SBOANZA'22 Winner (Short Film Category)**. Directed and edited the winning short film *Meendum Meenduma* at the inter-school cultural event.

PROJECTS

Diddle (Skill Exchange)
Next.js, Django REST API, PostgreSQL.

- Created a platform integrating skill exchange with freelancing projects, allowing users to learn, teach, and earn.
- Facilitated a community where skills are valued and exchanged for project collaborations.

Simplicook (Recipe Book)
ReactJS, Django REST API, SQLite.

- Developed a comprehensive recipe book application with advanced filtering features, enabling users to sort recipes by various criteria.

Vendor Management System
Django REST API, SQLite.

- Built a robust system for tracking and analyzing vendor performance metrics, reducing manual tracking errors.

Cryck (Built at Eth Mumbai)
React JS, Tailwind CSS, Solidity, CORE Chain.

- Designed and implemented an innovative cricket fandom platform within 36 hours, enhancing user engagement with blockchain-based spatial predictions.

Thought Capsule
Django, Bootstrap CSS, PostgreSQL.

- Developed an AI-powered web platform for digital encapsulation of personal thoughts, improving user retention through AI-driven insights.

EXTRA-CURRICULAR ACTIVITIES

Freelance Video Editor   Sep 2023 - Nov 2023
3M Car Care and Global Wheels & Accessories   *Remote*

- Edited promotional videos for social media marketing campaigns, enhancing brand visibility.

Freelance Graphic Designer   Sep 2023 - Oct 2023
KiKi Fitness Yoga Studio   *Remote*

- Designed a comprehensive brand kit, including posters, banners, and flyers, boosting brand visibility and customer engagement.

Freelance Graphic Designer   Jul 2023 - Oct 2023
Esabella Beauty Salon   *Remote*

- Created a brand kit with business cards, posters, and banners, enhancing salon's brand presence.

Short Film Direction and Editing   Own Interest

- Contributed extensively to the direction and editing of *Meendum Meenduma* short film.
- Assisted in the making of *toBACKo*, a short film for drug awareness.
